Btw—I called Ex. 6 Personal Privacy (PP) new attorney and will be sending him the relevant documents. He does not have experience with environmental matters, so I will try to get him up to speed on UECA, ESDs, etc.

Mary—I will have to follow-up with you. I'm running around trying to get a FYR and an ESD for public comment out on the street by the end of the week, in addition to a few other things. Stay tuned. I didn't even open the attachment yet. Shortly.

Chris—let's discuss this. I need to understand exactly what Waste is now proposing and what we think of the OGD's position.

Thanks.
